## Editorial Policy

The CSR Report 2007 is published to update our stakeholders about our current activities with CSR. This periodical explains how we contribute to the progress of the world through our business activity in a feature section entitled "Contribution to Society through High-Tech Solutions". It also provides a comprehensive report on CSR activity in areas such as management systems, environmental activities, contributions to society and so on.

## Website

This booklet is an abridged and translated edition of our Japanese CSR report, which is available on our Japanese website. For more information on our general corporate activities, please visit our "Global Site" at:
